Forecast For Wales
Issued by Met Office Exeter
at 1600 on Sunday 12 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain, locally heavy through the night.

This Evening and Tonight:
A cloudy and wet evening and night with outbreaks of rain, locally heavy across the country. Particularly persistent and heavy in the west. A mild night with light winds. Minimum temperature 11 deg C (52 deg F).

Monday:
A cloudy start with showery outbreaks of rain through the morning. Showers, locally heavy across the country through the afternoon with perhaps a few brighter spells at times. Maximum temperature 19 deg C (66 deg F).

Outlook for Tuesday to Thursday:
Brighter and drier on Tuesday and Wednesday with sunny spells and isolated afternoon showers. Largely dry on Thursday with variable cloud. Feeling pleasantly warm in any sunshine.
